25X1 SUBJECT: [] Weekly Report -20 August 1984

f. General:

25X1 1. Forty excess metal desk and L-units were turned over to
 25X1 GSA for redistribution. This is part of an overall effort to reduce
 25X1 the amount of metal furniture stored [] Disposal of this
 25X1 furniture was accomplished within three working days after receipt
 25X1 of notification. []

25X1 2. A trailer load of excess communications equipment and
 25X1 components from Excess List 154 were delivered to the Property
 25X1 Disposal Office, Fort Belvoir. This shipment consisted of 216 line
 25X1 items. Total value \$166,953. []

25X1 3. Disposal of the remaining items from Excess List 153
 25X1 has finally been accomplished. This excess list which consisted of
 25X1 approximately 3,000 line items was the largest []
 25X1 handled. Disposal action on this document started in August 1983.
 25X1 []

25X1 g. [] Renovations: The paving [] drives with a
 25X1 blacktop overlayment has been delayed due to contractor scheduling
 25X1 problems. This work is now scheduled to begin early September.
